- 2.1. The Platform shall be intended for publication of the Projects for which crowdfunding funds are raised from the Investors and enabling the Investors to grant funds for the Projects.
- 2.2. Profitus shall administer the Platform and fulfil the following functions: (i) enable the Project Owners to publish Projects through the Platform with a view to raising funds for financing of the Project; (ii) enable the Investors to invest in the Projects, i.e. enter into Financing Transactions, through the Platform; (iii) before publication of the Project, Profitus shall carry out an assessment of the creditworthiness and reputation of the Project Owner according to the Rules for the Assessment of Reliability of the Project Owners; (iv) enable publishing of information on the Project Owners and Projects and the progress of implementation of the Projects through the Platform; (v) administer payments and debts; (vi) sign the Financing Transactions with the Project Owners on behalf of the Investors; (vii) receive and pay out the Crowdfunding Funds on behalf of the Project Owners; (viii) administer mortgage/pledge, other Securities, exercise the creditor's rights on behalf and in the interests of the Investors; (ix) make recovery from the Securities for the benefit of the Investors; (x) represent and protect the Investors' interests before courts or assign performance of such actions to third parties and fulfil other functions provided for in the Contract, annexes hereto, the Financing Transactions and legal acts.

3. Registration in the Platform

- 3.1. In order to use the Platform and the services provided by Platform, you have to register in the Platform, provide all documents and information requested by Profitus, approve of this Contract and familiarise with the Privacy Policy.
- 3.2. You can enter into Financing Transactions and grant Crowdfunding Funds to the owners of the Projects published in the Platform only if you confirm your identity in the ways permitted in the Platform. Please note that if you fail to confirm your identity within 6 months from the date of registration in the Platform, Profitus shall be entitled to cancel your account and you will have to register in the Platform anew
- 3.3. Please note that you may have only one active account in the Platform. The results and accounts of any other subsequent registration may be cancelled without a separate notice.
- 3.4. This Contract may be concluded by the Investor as a natural person or a legal person. You may conclude the Contract only personally on own behalf or on behalf of the legal person lawfully represented by you. The Contract may be concluded on behalf of the legal person only by the head of the legal person or another lawful representative who has powers and/or necessary decisions to grant crowdfunding funds to the Project Owners provided for in the legal acts and/or internal documents of the legal person. You have to provide the documents evidencing the right of representation as well as documents evidencing the right to grant Crowdfunding Funds in the name of the legal person (for example, a decision of the shareholders or the board).
- 3.5. By concluding this Contract, you agree to cooperate with Profitus so that Profitus could identify you (and if you are a legal person, identity your representatives and beneficial owners), confirm your contact data and agree and undertake to provide all necessary identity documents and documents, information and clarifications on their activities. According to the regulation applicable in the European Union, we shall be obliged to collect information on you; therefore, Profitus may request for additional information on your operations, origin of funds, planned transactions etc. The requested information depending on the requirements of the legal acts may include original documents or copies thereof and notarised or apostilled copies. All documents must be provided in the Lithuanian or English languages, information must also be regularly updated.
- 3.6. You shall be fully liable for correctness and relevance of the information, data, documents provided by you. If you provide incorrect information, fail to update it in due time what may result in infringement of the powers granted to you/your representative, full liability shall fall on you/persons acting on your behalf.
- 3.7. You are informed and agree that Profitus shall be entitled, at own discretion, to refuse to confirm your registration, confirm your identity and shall have the right to establish additional requirements for your registration or impose restrictions on operations in the Platform, terminate this Contract in accordance with Section 10 hereof "Prohibited Actions".
- 3.8. Your personal data or personal data of your representatives, beneficial owners (if the User is a legal person) shall be processed according to the [Privacy Policy of Profitus](#). If you are a legal person, you as a controller of the data of your representatives and beneficial owners have to ensure that you have notified the data subjects of provision of your data to Profitus and processing of their data as required by the legal acts regulating processing of personal data. In certain cases, Profitus shall be entitled to request the data subjects to provide original written consents/approvals of information on personal data processing.
- 3.9. The account in the Platform may be used only by yourself or only by the head of the legal person or another lawful representative who has the powers on behalf of the legal person. All actions carried out when you log in to the Platform shall be deemed to have carried out by yourself. You understand and certify that all your actions carried out when you log in to the Platform shall be deemed to be your proper consents and

approvals signed by an electronic signature as provided for in paragraph 1 of Article 5 of the Law on the Services of Ensuring the Reliability Electronic Identification and Electronic Transactions .

4. Financing Transactions

- 4.1. The Projects for which you may grant crowdfunding funds at your own discretion shall be published on the Platform. Profitus shall publish only such Projects on the Platform which, according to the [Rules for the Assessment of Reliability of the Project Owners](#), are assessed as appropriate for publishing in the Platform.
- 4.2. As it has already been mentioned, you may grant crowdfunding funds to the owners of the Projects published on the Platform only if your identity is confirmed by the means permitted in the Platform and no restrictions on operations on the Platform are imposed on you as provided for in Section 10 hereof "Prohibited Actions".
- 4.3. The Platform may publish the following information on the Financing Transactions which may be concluded: (i) the minimum amount of investment per Investor; (ii) amount of the Investment to be raised and/or stages of financing; (iii) interest and periodicity of payment of interest; (iv) other information related to the Financing Transaction.
- 4.4. The Platform shall publish the following information on the Project: (i) the description of the Project; (ii) main Project development risks; (iii) the Investment Period; (iv) amount of the raised funds; (v) financial information on implementation of the Project; (vi) progress of and time limits for implementation for the Project; (vii) other information related to the Project.
- 4.5. Publication of the Project on the Platform or attribution of the risk to the particular Project cannot be considered as a recommendation for investment or another confirmation of the financial stability (creditworthiness) of the Project Owner, reasonableness, viability of the Project, safety of investments in the Project, your possibility to recover the Crowdfunding Funds, possibility to earn return in the form of interest or another form by Profitus.
- 4.6. Generally performance of the obligations to the Investors shall be secured by mortgage, pledge provided by the Project Owner (or a third party) and/or other Securities described in the Projects, for example, guarantee, suretyship etc. The particular Securities used to secure the Financing Transaction shall be indicated in the description of the Project; one Security may be intended for securing several investment raising stages.
- 4.7. Before entering into the respective Financing Transaction for the first time, you must carry out the appropriate test of such transaction (hereinafter referred to as the "Appropriate Test") aimed at determining if the Financing Transaction of such type is acceptable to you.
- 4.8. The Appropriate Test shall be carried out by filling in the questionnaire on the basis of which your knowledge about the risk assumed by concluding the Financing Transaction and accumulated investment experience shall be assessed.
- 4.9. Please note that appropriateness of the Financing Transactions to you shall be established on the basis of the information provided by you; you have to carry out the Appropriate Test by yourself, without the help of any persons, you have to answer the questions in a good faith manner. By completing the aforementioned test you certify that you have carried out the Appropriate Test by yourself, on the basis of your knowledge and experience. If you refuse to carry out the Appropriate Test or provide insufficient information, Profitus cannot properly determine if the Financing Transaction is acceptable and appropriate to you.
- 4.10. In case there the results of the Appropriate Test suggest that the Financing Transactions are not acceptable to you or you fail to carry out the Appropriate Test and/or fail to provide full information, Profitus shall warn you and additionally provide information on the investment-related risks, for example, information on possible full or partial loss of funds intended for the Project, risk that you may not earn expected profit,

financing liquidity risk as well as other risks incidental to crowdfunding by providing descriptions of such risks.

- 4.11. If after receipt of the additional information provided for in paragraph 4.10 hereof, you enter into the Financing Transaction, you shall certify that the indicated risks are understandable and acceptable to you.
- 4.12. If you decide to enter into a Financing Transaction, you have to indicate the amount of funds you shall invest in the Project and confirm it. Please note that the minimum investment limits may be set for the Project and investment of lower amounts shall not be allowed.
- 4.13. Please note that Profitus shall be entitled to set the investment limits for your investments depending on your experience, retain your investments till it makes sure that you are entitled to invest. Nonetheless, Profitus shall not be obliged to verify your right to invest, thus, you shall be fully liable if you carry out the actions exceeding your powers, have failed to update information on yourself and/or your powers.
- 4.14. If you are investing higher amount in the Project (the amount shall be indicated by the specific Project), you shall be considered as the Nominal Investor of the Project and higher interest shall be offered for the Financing Transaction entered into by you. The exact terms and conditions applicable to the Nominal Investors shall be indicated in the Projects.
- 4.15. When you confirm the invested amount, you shall be provided with the terms and conditions of investment in the particular Project with which you have to familiarise. The terms and conditions of investment in the Project shall be deemed to be approved and come into force when you carry out the actions requested in the Platform and transfer the amount of funds you are planning to invest to the Account. You shall also be provided with the terms and conditions of the Financing Transaction which you shall assign to Profitus to sign for familiarisation.
- 4.16. The funds shall be transferred to the Account by the methods of payment indicated and permitted in the Platform. Please note that the Platform may not support the desired methods of payment; thus, if you want to invest, you may have to carry out additional actions, for example, open an account at the institution of the indicated payment service provider etc.
- 4.17. Please note that when you transfer the Crowdfunding Funds to the Account, you cannot cancel your determination to invest and enter into the Financing Transaction.
- 4.18. In all cases, the funds of Profitus shall be separated and kept separate from your funds. Profitus shall use your funds transferred to the Account only for the purposes indicated by you, i.e. financing of the Project for which you enter into the Financing Transaction.
- 4.19. The Financing Transaction shall enter into force when the total Investment amount is raised (or when one amount for one financing stage is raised) and Profitus on behalf of all Investors and the Project Owner sign the Financing Transaction. The financing transaction is concluded within 2 (two) working days from the financing of the Project. You shall be notified of entry into force of the Financing Transaction, execution of the Securities, payment of the funds to the Project Owner in the Platform. No additional procedure of signature of the Financing Transaction shall be carried out, except for the cases where Profitus requests you to additionally provide the signed original terms and conditions of investment in the Project, the Financing Transaction, copies thereof, the powers of attorney, consents or other documents related to the Financing Transaction.
- 4.20. The interest payable to you will start to accrue on the day following the signing of the Financing Transaction. Interest is calculated on a daily basis - the year is considered to consist of 365 days and the month from the number of calendar days (eg Contract term 12 months, Financing transaction is signed on 01.01.2021, interest starts on 02.01.2021, transaction end date 31.12.2021). Interest is not calculated for the day when the Project Owner repays the Loan amount.
- 4.21. A copy of the signed Financing Transaction (in PDF format) is provided in your personal account in the Platform. You may also find other documents relevant to you in the Platform.

- 4.22. The Investment Amount and the Investment Period shall be separated set for each Project and published in the Platform. In the event of a failure to raise the Investment Amount during the Investment Period (except for the cases of financing by stages and this is indicated in the Project), the following actions may be carried out:
- 4.22.1. The Investment Period may be extended (Profitus shall evaluate such possibility in advance and publish such information in the Project);
- 4.22.2. The Investment Amount can be reduced;
- 4.22.3. The Crowdfunding Funds which have already been raised may be paid out to the Project Owner and the Investment Period for the remaining Investment Amount may be extended for the same term and you shall familiarise with the updated Project information and accept it;
- 4.22.4. The Project shall be withdrawn from the Platform and the paid funds shall be repaid to you.
- 4.23. By confirming the Terms and Conditions of Investment in the Project you assign to Profitus to carry out any actions and take any decisions including but not limited to conclusion of Financing Transactions, Security transactions (in which Profitus or, at its direction, a third party is indicated as the creditor), represent you before courts, third parties insofar as this is necessary for conclusion and performance, security, enforcement of the Financing Transactions on your behalf or in your interests without separate authorisation (with the right of delegation) insofar as this is necessary for conclusion and performance of the Financing Transactions. Profitus shall carry out the actions provided for in this paragraph only in your interests. You agree that, at the request of Profitus, you shall provide the power of attorney to carry out such actions of the form established in the legal acts.
- 4.24. Profitus shall be the holder of the Account in which the funds intended for the Financing Transactions are stored. When you transfer the funds to the Account, you shall be deemed to have granted the Crowdfunding Funds directly to the Project Owner. Profitus shall be granted the right and powers to transfer the raised Crowdfunding Funds to the Project Owner. Profitus shall transfer the funds from the Account to the Project Owner when the Financing Transaction is signed with the Project Owner and the Project Owner provides the Securities (unless the Securities were provided earlier).
- 4.25. In case if the number of the Investors willing to enter into the Financing Transactions is higher than the Investment Amount, priority shall be given to the Investor who first transfers the funds to the Account (except for the cases where the Crowdfunding Funds transferred by the Investor are retained in accordance with the procedure established herein). In the light of the above, you shall understand and agree that your funds may be transferred after the date of full financing of the Project; thus, the Financing Transaction shall not be concluded on your behalf or you shall be offered to enter into the Financing Transaction for a lower amount. In such case, Profitus shall notify you and repay the funds or a part thereof to you.
- 4.26. In case if other circumstances which may reasonably have adverse effects to the assessment of the Project Owner and/or implementation of the Project occur during the Investment Period, the Project shall be withdrawn from the Platform, your terms and conditions of investment in the Project shall be annulled and Profitus shall repay the funds to you. Such actions carried out by Profitus shall not grant you the right to request for indemnification of losses.
- 4.27. In certain cases, raising of the Investment Amount may be cancelled by the Project Owner by paying the respective fee.
- 4.28. Other terms and conditions of conclusion and implementation of the Financing Transactions shall be defined in the Terms and Conditions of Investment in the Project, the particular Financing Transaction.

5. Automatic investment function

- 5.1. The Automatic Investment Function is a way for Investors to pre-determine the Pre-Automatic Investment Strategy and, on the basis of such pre-determination, to participate in the Projects, to automatically invest in the Projects. The investor can change the settings of the Automatic Investment function.

- 5.2. The amount of the Investor's investment provided by the automatic investment function shall be equal to the amount of the Investment provided by the Investor personally and shall create the same rights and obligations as established in this Agreement.
- 5.3. Investors assume the risk themselves and are responsible for the use of automatic investment function, the choice of strategies and projects in which they invest, credit risk and potential defaults.
- 5.4. The operation of the automatic investment function is determined by the Profits Automatic Investment Conditions of the Platform, which are published on the Profitus website.
- 5.5. Each Investor must agree to the Platform Profits Automatic Investment Terms before creating an Automatic Investment Strategy or before editing, changing an already active Automatic Investment Strategy.

6. Failure to Perform Financial Transactions

- 6.1. If the Project Owner fails to settle accounts in accordance with the concluded Financing Transactions not through your fault, Profitus (or the third party authorised by Profitus) shall carry out the actions of administration and implementation of the Financing Transactions and the Securities for which the fee set forth in the Fees shall be paid to Profitus. For the purposes of administration of the Financing Transactions, Profitus or the third party engaged by Profitus shall be entitled to assume all necessary actions in administration and realization of the Securities provided by the Project Owner, in awarding the debts from the Project Owner.
- 6.2. The debts of the Project Owner shall be recovered in accordance with the [Procedure for Recovery of the Debts of the Platform Profitus](#).
- 6.3. The funds recovered from the pledged property, other Securities, other property of the Project Owner less the costs and taxes incurred by Profitus as specified in the Fees and Investment Conditions, the costs incurred by other persons acting on your behalf shall be used for satisfaction of the claims of the Investors whose claims have been secured by the respective Security
- 6.4. The Securities may be realised by the method chosen by Profitus in accordance with the legal acts of the Republic of Lithuania:
 - 6.4.1. by selling the pledged property at the public auction; or
 - 6.4.2. by selling the pledged property at a non-public auction; or
 - 6.4.3. by selling the pledged property to the third party chosen by the collateral provider provided that a prior consent of Profitus is obtained; or
 - 6.4.4. taking over the mortgaged property and organizing the sale of the property; or
 - 6.4.5. in any other manner permitted by law.
- 6.5. Other terms and conditions of non-performance of the obligations shall be indicated in the particular Financial Transactions.

7. Fees

- 7.1. Information on the fees applicable in the Platform, the procedure for payment thereof shall be provided in [the Fees](#). By certifying this Contract, you shall also confirm that you have familiarised with it and that you have undertaken to pay them in accordance with the established terms and conditions and under the established procedure. The fees set out in the Fees may be deducted from the amounts transferred by you or repayable to you.
- 7.2. Please note that you have to pay all fees related to the income received from the concluded Financing Transactions applicable to you and other applicable fees by yourself; for the sake of clarity, Profitus shall

not be obliged and shall not make any deductions or tax withholdings unless this is mandatory according to the valid legal acts of the Republic of Lithuania

- 7.3. You agree that Profitus shall be entitled to deduct the payments due to it from your funds held in the Account or your accounts linked to the System at the payment partners. Such deductions shall be deemed to be properly authorised.

8. Procedure for Communication between the Parties

- 8.1. You must indicate your telephone number and e-mail address to Profitus and confirm them. You agree that the telephone number and e-mail address indicated by you were used for communication between Profitus and you, i.e., for the purposes of provision of information on the Contracts or other terms and conditions applicable to you, changes therein, powers, new Projects, other relevant information. The information shall also be published in the Platform. You shall also agree that, in certain cases, Profitus shall also communicate with you through social networks.
- 8.2. You may address Profitus in the Lithuanian or English languages.
- 8.3. You must immediately notify Profitus of any changes in your contact details by updating the information in the account on the Platform. Profitus shall act in accordance with the latest known information on you and consider it correct; therefore, Profitus shall not be liable if you do not receive information in due time by reason that you have failed to update your contact details and, thus, you incur losses.
- 8.4. You may communicate with the Project Owner only by the means specified in the Platform. Please do not contact the Project Owner in order to obtain any information on the Project other than indicated in the Platform by any other means, such your actions may be deemed to be unlawful and result in the respective legal consequences, for example, restriction on investment in the particular Project.

9. Amendments to the Contract

- 9.1. Profitus shall be entitled to unilaterally amend and/or supplement the Contract and its annexes.
- 9.2. You shall be notified of the changes in the rates of the fees and the procedure for payment of the fees, amendments to the Privacy Policy on the effective date of the changes. You shall be notified of other amendments to the terms and conditions applicable to you not later than on the date of amendment to the terms and conditions.
- 9.3. Use of the Platform by you after amendment of the Contract or separate terms and conditions thereof, annexes thereto shall imply your acceptance of the amendment of the Contract.
- 9.4. You shall not be entitled to unilaterally amend the terms and conditions of this Contract, annexes thereto.

10. Termination of the Contract

- 10.1. This Contract may be terminated by mutual agreement between the Parties.
- 10.2. You shall be entitled to terminate this Contract by giving a 30 days' notice to Profitus if at the moment of termination of the Contract you do not have any valid Financing Transactions.
- 10.3. Profitus shall be entitled to terminate this Contract without notice in the cases provided for in Section 10 hereof "Prohibited Actions" as well as in cases if Profitus terminates the General Terms and Conditions of Use of the Platform Profitus (for Project Owners) with you, in other cases provided for in the Contract.
- 10.4. In case of termination of this Contract, your account in the Platform shall be cancelled but data on you, the Financing Transactions entered into by you shall be further stored for the purposes, within the time limits and under the procedure established in the Privacy Policy and legal acts.
- 10.5. In case of liquidation or bankruptcy of Profitus, the Financing Transactions shall remain in force and shall be implemented by the parties so as if they were entered into without participation of Profitus.

11. Prohibited Actions

- 11.1. When using the Platform, the following shall be prohibited:
- 11.1.1. to breach this Contract, the Financing Transactions, other agreements concluded between the Parties, legal acts including but not limited to the requirements for prevention of money laundering and terrorist financing;
 - 11.1.2. to use the Platform for any unlawful purposes including but not limited to the following: swindling, money laundering, terrorist financing, unlawful provision of financial services etc;
